## TRAVERTINE TILES COLLECTION

---

Travertine Tiles & Pavers are an excellent option for those who are willing to add a touch of luxury and class without being over the top. Travertine is the most durable, low maintenance and affordable natural stone on the market, making a very popular choice for use in both residential and commercial projects. We have a wide range of Travertine that is suitable to be used both internally and externally, allowing for continuous flow from indoor to outdoor. Our pavers are one of our best sellers, being the best option for Pools & outdoor seating areas.

Travertine Tiles are seen to be a very selected item in the Australian building industry the main reason is the application factors that these tiles can be placed in and how long they last are very important and let's be realistic Natural Stone is always going to be long-lasting if it looked after accordingly!

We here at the Sydney Tile Gallery have a wide range of Travertine tiles that are very rare to come across in Sydney! This is the reason we are considered to be a leading supplier in the region.
